baby clothes bunny £30each + £7.25 special delivery (or free delivery if you wish to collect)

Pick the clothing

4 or 5 body suits/sleep suits/tops etc.

Small detail for the pocket or bum (not essential, just if you have something in mind)

Prepare an order form (see below for printing)

If you are unable to print please provide a hand written note with all of the required information. **The information must be posted with baby clothes** so I know exactly who the clothes belong to and the details required to make the personalised bunny.

Send or hand deliver the clothing and order form

I Recommend if posting that you use a recorded/special delivery service so you can track the precious items as they make their way to me.

To keep size and weight to a minimum using a postal bag is a good idea.

If you'd like to email me to tell me a package is on its way that will be great.

Once received

A confirmation email will be sent. This will also include payment details.

Payment

Payment can be made via my website shop (baby keepsake) by bank transfer or PayPal. I do also accept cheques (although this will create a slightly longer process as the cheque will need to clear before the making begins)

Making

Current lead time 3- 4 weeks

Delivery

Your bunny will be delivered using Royal mails special delivery service, this is a next day service and requires a signature.

Any unused garments will also be returned.

Important note

Please note the process is to deconstruct the garments and create something new (a bunny). By sending the items you are agreeing to the creative process and my artistic license. All bunnies will be constructed from the same pattern and have a felt face. It is of course the fabrics and design details that will differ giving each bunny a wonderful personality of its own.
